## Abstract

This is the part of the paper in which we should provide a brief synopsis of the entirety, that is the whole and complete, reason for and information contained within the paper so that a person could quickly decide whether it was worth wasting any of their valuable time (that is, time during which they would be scrolling social media, swiping left or right, or engaging in highly ritualistic slaughter fests of the online hyper-realistic variety).

Keywords: Lock, Combination, Answer, Kingdom
