

Our Voices

Through our eyes, *Dissenting Voices Volume 5* gives readers a chance to see how race and gender have played a role in our lives. This work seeks to give voice and agency to those of us whose experiences and wisdom have been historically cast aside, and to empower writer and reader alike through the sharing of knowledge. Our autonomy in body and mind are basic rights that stretch across many intersections and are important to fight for and secure. Navigating our experiences through the eyes of women helps us to better understand the world around us. Let's work together and not against each other. Gender segregation is everywhere. Through our lens, our voices, and our words, equality begins here.
