<p>What items/services do you propose to purchase with the grant funds? Specify the vendor and estimated cost of each item.</p> <p><b>This grant would provide (1) Bluetooth keyboards so that patrons could use their mobile devices to create keyboard intensive projects in the library, (2) power cords for all devices that use Apple Dock, Lightning or USB Micro cords, (3) OCR pens to provide mobile scanning of documents so they can be edited/annotated on tablets, and (4) a DSLR (Digital single-lens reflex) camera for crisp images and video. See attached for specific products.</b></p>	
<p>Briefly describe how the items/services to be purchased <u>innovate</u>, expand and/or enhance the technological capabilities in your area of teaching, research, or work responsibilities:</p> <p><b>These tools will allow us to provide support for students bringing in mobile devices so that they may effectively and efficiently use them to accomplish their academic work. Furthermore, the addition of a DSLR camera will help promote campus spaces, services and activities to better document the Brockport success story of our faculty, staff and students.</b></p>	
<p>Briefly state how you expect the technology supported by the award to benefit Brockport students through improvements in teaching, research, or efficiency of program administration:</p> <p><b>Everything purchased through this grant will be available for students to check out. The majority of items will help students effectively use their personal mobile devices in the library without fear of losing power or forgetting something that may prevent them from accomplishing their work.</b></p>
