Dear Jennifer Sonricker,

My name is Kim Myers, and I am the Digital Repository Specialist for The College at Brockport. We recently began an institutional repository, and are adding Masters theses, as time and permissions allow. The Education department has a collection online at: http://digitalcommons.brockport.edu/ehd_theses. May I have your permission to digitize and add yours to this collection? I would then send you the link, and you would then receive monthly reports of how many downloads your thesis has received. If you are interested, please let me know what email address you would like associated with the thesis – where you would like to receive the reports.

Please feel free to contact me with any questions.

Best regards,

Kim L Myers
